Greenfest is Brisbane's free green festival, 10-12 October.

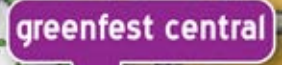

Greenfest represents a practical opportunity to promote demand for greener building to the general community. It is a free to the public event supported by BCC, 7, B105, MMM with expected attendance of 50 000 over the three days.

Exhibition spaces are very affordable at \$900 + GST for 3x3 tent, tressle, light, green power and 2 chairs. Custom larger spaces are available but all are selling fast and will be closed for building industry applications soon. View map on the back to see all areas of green leadership at Greenfest.

Dr Jane Goodall is opening the festival in an invitation only event, all applications complete by 30th June will receive 2 invitations to this special event on 10th October. Sites for each product category are strictly limited, apply early to avoid disappointment at www.greenfest.com.au
